Dear Mr. Fausett:

Re: Whiterocks Tar Sands, Permitting Requirements, Uintah County,
Utah

On August 20, 1986, Tom Munson and Pam Grubaugh-Littig discussed with you while on site, permitting requirements for the Whiterocks Tar Sands pit. My letter of August 21, 1986 transmitted to you the required MR-1 form for your completion. I have been unable to reach you in recent weeks at your office (722-5894) to ascertain why no response has been received to my letter of August 21, 1986.

Would you please file a complete MR-1 form (copy enclosed) by January 30, 1987. Failure to do so may result in an Order to Show Cause before the Board of Oil, Gas and Mining.

Thank you for your cooperation in this matter. Feel free to call me at the above number if you should have questions on this matter.

Sincerely,

John J. Whitehead
Permit Supervisor/
Reclamation Hydrologist
